

MEMORANDUM

TO: Local Media

FROM: Stevie Cox, Town Manager

CC: Town Council and Citizens

DATE: August 15, 2011

REF: Sewer Spill on Peacock Road

On August 13, 2011 at 2:40 PM, the Chadbourn Public Works was called by the Columbus County Emergency Management Service of a sewer spill. The sewer discharge occurred on Peacock Road at the manhole nearest to the bridge. The spill discharged around 15,000 gallons of sewerage. The spill was contained and stopped around 3:45 PM.

Town Staff has reported this spill to the North Carolina Department of Environment and Natural Resources per State and Federal requirements for events like this. If you should have any questions about this spill, please feel free to call either Public Works Director Michael Foss or Town Manager Stevie Cox at: (910) 654-4148.
