

## Greetings

We are pleased to announce the purchase of the Dr. Stines Dental practice by Dr. Kyle Roth. Our Town Manager, Stevie Cox and NC House of Representative Ken Waddell worked to get this accomplished. Thanks to both. We will publish more information for a ribbon cutting and opening date.

A chicken bog was held on Saturday, March 2<sup>nd</sup> to help Ricky Nance's medical fund. Thanks to all who worked on this event and purchased plates. Community involvement is important.

Councilman Brian Edwards has a great suggestion for all our citizens. You should record all valuables maker, model and serial number. Also take pictures. Our Police Department is working hard to reduce break ins.

You will soon see our Public Works department replacing road and street signs. New Strawberry decals will also be placed to all street signs. Your town is working hard to make Chadbourn look alive.

Sign up now for Parks & Recreation baseball and softball at Town Hall. We also need some business sponsors. It is a good manner to get your name in front of the public. All of these funds are used for a good cause.

*Revolution* left our Brown St/Railroad St area better than they found it. Plans are underway to make that area even better.

Remember, this is our town. We can improve our look.
